## Objectives of the Club

To promote those objectives endorsed by Surf Life Saving (WA.)

- a) To promote and enforce the work of the Surf Life Saving Association, the resuscitation of the apparently drowned and the application of first aid on the beachfront between Cable Beach, Mosman Park and Napier Street, Cottesloe.
- b) To carry out patrols in accordance with the regulations of Surf Life Saving (WA) and provide the necessary efficient life saving equipment.
- c) To co-operate with other organizations in enforcing life saving methods and equipment.
- d) To educate the public surf awareness and current resuscitation procedures and encourage members of the public to gain awards as permitted by Surf Life Saving (WA).
- e) To partake in competitions and events in all surf life saving areas and other areas permitted by Surf Life Saving (WA) and to sponsor members to complete.
- f) To co-operate with the Town of Cottesloe in possible improvements to beach facilities.

In Addition:

- a) To acquire by purchase, exchange or otherwise whether for an estate in fee simple or for any less estate lands and tenements or real personal property or any tenure thereof, whether subject or not to any changes, or encumbrances, and to erect, replace, maintain, reconstruct, adapt and furnish any offices, buildings, or lands, tenements or property or any part thereof after approval by a Club General Meeting.
- b) To borrow any monies required for the purpose of the Club upon such terms and conditions as may be determined and for that purpose to mortgage, pledge or otherwise charge any real or personal property of the Club.
- c) To invest funds of the Club, when available, providing that investments shall be in trustee securities only.
- d) To employ staff as required to administer and promote the objectives of the Club.
- e) To do all or any of the matters authorized either alone or in conjunction with any person, company or unincorporated body through any factors, trustees or agents.
- f) To do all such things as they appear to the Club to be incidental or conducive to the attainment of the foregoing objectives or any of them.

## Patron

Mrs Nicola Forrest, AO

## Vice Patrons

Ms Celia Hammond MP, Member for Curtin  
Dr David Honey MLA, Member for Cottesloe  
Mr Denis Cullity, AO, CMG  
Mr Barry MacKinnon, AM  
Ms Sylvia Byers, AM

# Office Bearers

**President**

Benjamin Stephens

**Deputy President**

### Meeting convened at 10.37am.

*President, Michael Franz, welcomed all members. Acknowledgements made to all Life Members. Apologies, as registered, were noted. One minute silence held.*

# Annual General Meeting (continued)

President introduced the Club's new General Manager, Kim Welch, who gave a brief overview of his previous experience and his enthusiasm to be a part of the club and to work with the Management of the Club.

## 1a. Consideration and adoption of the minutes of the 110th Annual General Meeting held on 21st July 2019.

- a. Business arising from those minutes - Nil

Moved: Stephen Redbond  
Seconded: Graham Pember  
Carried

## 1b. Consideration and adoption of the minutes of the Special General Meeting (Constitution) held on 26th May 2019.

- a. Business arising from those minutes - Nil

Moved: John Robertson  
Seconded: David Craig  
Carried

## 1c. Consideration and adoption of the minutes of the Special General Meeting (First Constitution meeting) held on 19th May 2019.

- a. Meeting deferred to 26 May 2019

Moved: James Laurenson  
Seconded: David Craig  
Carried

## 2. Correspondence

No correspondence tabled.

## 3. Consideration of Reports

Reports adopted as stated.

Moved: Graham Pember  
Seconded: Stephen Redbond  
Carried

## 4. Consideration of and adoption of the Financial Statements for the 2018-2019 Financial accounts.

Reports adopted as stated.

Moved: Mark English  
Seconded: James Laurenson  
Carried

## 5. Election of Office Bearers

Michael Franz thanked the Committee members for their contribution to the club during the previous season and confirmed the election of Office Bearers for the season as only one nomination was received for each.

- Deputy President: David Craig
- Treasurer: Mark English
- Secretary: James Laurenson
- Co-Captains: Karlene Craven & Gemmaley Walsh
- Lifesaving Officer: Deborah Dean
- Junior Activities Officer: Julian Barry
- Chief Instructor: Courtney Franz
- Boat Captain: Jeffrey Burling
- Board & Ski Captain: Wayne Adams
- Patrol Officer: Paul McCarthy

Carried as no other nominations received.

## 6. Nominations from the floor

Mike called for nominations from the floor for those positions for which no nomination was received by the prescribed time. He reminded members that the nominee must be present and indicate their willingness to accept the Office if elected.

President	Youth Development Officer
Vice-Captain	First Aid Officer
IRB Officer	Handicapper
Beach Captain	Under 19 Officer
Under 17 Officer	Under 15 Officer
Under 14 Officer	Gear Officer

Some members had been spoken to regarding filling some of these role and therefore the President nominated those members present.

# Annual General Meeting (continued)

## **President: Benjamin Stephens**

Nominee accepted position  
Moved: Wayne Adams  
Seconded: Maxine Lamb

## **Vice-Captain Officer: Chloe Tucek**

Chloe to be approached re position as she has indicated she is keen to do the role but is not at the meeting

## **First Aid Officer: Dominic Lawrence**

Dominic to be approached re position as he has indicated he is keen to do the role but is not at the meeting

## **Handicapper: Sonja Madden**

Nominee accepted position  
Moved: James Laurenson  
Seconded: Ian Cook

Members voted from the floor confirming the above.  
Carried

The following positions remain vacant. Anyone who is interested in a position to present to the Management Committee.

IRB Officer	Youth Development Officer
Beach Captain	Gear Officer
Under 19 Officer	Under 17 Officer Under 15 Officer
Officer	Under 14 Officer

## **7. Notice of Motion**

- a. The Committee shall comprise the President, Deputy President, Finance, Captain, Lifesaving, Education, Surf Sports, Youth Development and Nippers all of whom will be elected under clause 18.4; and

Moved: David Craig  
Seconded: James Laurenson  
31/07/2020

As the notice was not served on the members as per the Constitution, it is to be re-introduced at a later date to be nominated.

## **8. Awards**

Invitation to Peter Leaversuch, Chair of the Award Committee, to address the meeting.

### **50 Year Long Service Award**

Richard Bruce Simpson

### **40 Year Long Service Award**

Margaret Bond, Tanya Franz, Stuart Gray

### **30 Year Long Service Award**

Kylie Cross

### **25 Year Long Service Award**

Andrew Elliott, Benjamin Stephens

## **Nomination Life member of the Club**

Peter Leaversuch presented nomination of Graham Ross Pember to members who voted.

Moved: Peter Leaversuch  
Seconded: Paul Gerrard  
Carried

## **8. General Business**

- a) Dudley Harrigan asked about methods of fundraising for the building proposal.
- (i) David Craig responded that the building sub-committee was in the early stages of considering a number of strategies to raise the appropriate funding.
- (ii) Michael Franz spoke of the need to develop the Club's Strategic Plan.
- (iii) Gareme Johnson suggested may a hybrid model for raising funds
- b) Dudley Harrigan suggested the Club's competitive results were poor.
- (i) Julian Barry pointed out the Junior Division, in the most recent State Titles, had finished 3rd overall in the state.
- (ii) The Committee did not agree with Dudley's presumption.

In Club tradition, President, Michael Franz, declared the bar open.

## **Closure**

There being no further business to discuss, the meeting was closed at 11:10am.

# Special General Meetings 4th October 2020

Meeting declared opened at 11:42 am.

## PRESENT

## Meeting Agenda:

Notice of motion presented by DMC. Change the wording of **18.2(a)** - Nominations for Elected Committee Members

Nominations shall be called for at least 35 days prior to the AGM at which the elections are to be held.

DMC explained the rationale behind the notice of motion and that it is essentially removing the secretary role from the constitution

BDS opened to the floor for questions.

It was questioned if there needed to be an amendment to the wording of **18.2(a)** - Nomination for Elected Committee Members as the proposed amendment does not specify who calls for nominations 35 days prior to the Annual General Meeting.

It was discussed whether an amendment to the wording of the notice of motion could be made during the special general meeting.

It was established that a non-material amendment could be made to the wording during the Special General Meeting at it was proposed that the wording be amended to -

Nominations shall be called by the General Manager, at the direction of the committee, at least 35 days prior to the AGM at which the elections are to be held.

The updated amendment to the notice of motion of the wording **18.2(a)** - Nomination for Elected Committee Members passed by majority vote.

There was then some general discussion around the constitution and further references of the secretary position still within the constitution. DMC updated the floor of the current plans to update the constitution and by-laws by the next AGM.

President (BDS) then put the new notice of motion forward for vote:

Nominations shall be called for at least 35 days prior to the AGM at which the elections are to be held.

Moved: Benjamin Stephens  
Seconded: David Craig  
Carried

Motion passed by 27 votes in favour to 3 votes against.

The meeting was adjourned at 12.03pm.

## President Report

Dear Members and Supporters,

It is with great pleasure I present this 112th Annual Report of the Cottesloe Surf Life Saving Club (Inc.) on behalf of the Management Committee for the 2020/21 season and again note no lives were lost during our patrols at Cottesloe Beach.

Looking back on my past President's Reports I've started this missive previously with references to the Pareto Principle and a graph of sustained management experience; an metaphor of windbreaks, taking root and over fertilisation; and even a Robert Frost poem with accompanying strained metaphor on 'negativity infection'. Turns out timing is everything when it comes to virus metaphors.

The common theme across all the reports was the need for us to effect change and how we could involve members not just as members but as volunteers and not burn them out in the process. I'm heartened to again note the overwhelmingly positive nature of the reports from office bearers in this document and believe the path we are on is the right one.

A significant change going into season 2020/21 was the appointment of Kim Welch as the General Manager. The intent was to provide a focus to club structure so that there was a single point of delivery that was also delegated with decision making functions. This would not only alleviate some of the work load from the Management Committee, but make the decision loop smaller and hopefully encourage consistency in approach.

The idea of consistency in approach is aimed at developing a 'Cottesloe Way' of doing things that isn't just a reflection of how an individual in a role does it but the collective knowledge of those that have undertaken the role, collated, considered and then agreed by the Club as the best way to do it.

This first year for Kim was one of observation and coming to terms with the various formal and informal structures that a volunteer club has, the ebbs and flows of work and the various outputs expected. The conclusion of the season saw a series of debriefs with office bearers from which some priority issues to work on have been agreed and will form the basis of a roadmap for the next two years.

An area that didn't require a debrief to identify needed work was our grievance and disciplinary process. While it was heartening to note no new cases arose during the season, it can be that rarity of use that gives rise to gaps in the process. Identifying those gaps while in the middle of a grievance is far from ideal. In addition to structural issues between the Constitution and the Bylaws, there has been an over reliance on a few key roles being responsible for handling these matters which is not necessarily fair or appropriate.

It is of fundamental importance to the Club that we get this area right. We need to be proactive in addressing members concerns, and remain in their trust so that they raise these matters with appropriate officers or other members before they become formal matters. If they do proceed to formal matters then we need to demonstrate transparency, probity and natural justice and act in a timely manner to resolve these issues as quickly as possible. I apologise to those members that have been involved in these processes, acknowledging the pain that can be caused to them, their family and other members.

Another focus of Management is reconciling that a surf club is both a recreational space for members and legally considered a workplace. This gives rise to certain legal requirements, particularly in the occupational safety space, as well as the ongoing need to meet working with children requirements.

## President Report (continued)

The considerable efforts of our Member Protection Information Officer, Wendy Craig, over the last few seasons has given rise to a robust system to ensure that all members that require working with children cards have them. We now need to turn our attention, in particular, to occupational safety and health and build a robust system for ensuring compliance to those related pieces of legislation and regulations. Whilst we encourage members to have a great time while they are at the beach and the Club, we also encourage them to be mindful of their language and behaviour in the context of a workplace.

A further structural change this year was to welcome the Education Officer position onto the Management Committee, reflecting the education function as one of the four pillars of surf lifesaving. Courtney Franz harnessed her professional qualifications in teaching, depth of surf club experience and proficiency in laminating in tackling what has been already a challenging role now combined with general management responsibilities. The change did result in more focus on issues that have faced the education space for a number of seasons, not the least being the need to take every opportunity to thank our trainers and assessors for the considerable amount of time they put into both the skills maintenance (proficiencies) and award training/assessment. Thank you all!

In many respects the education function will exemplify our efforts to develop a 'Cottesloe Way'. We will harness the experience of our trainers and assessors as a collective, agree the dates and course structures, deliver across the season and then review in the off-season. Rinse and repeat. Education will also be at the forefront of thinking as the Club as a workplace. Proficiency and the gaining of awards will be central to inducting or re-inducting members into Club and SLSWA/SLSA expectations and not just technical considerations such as this seasons position on tourniquet use. The Education Team have already set dates for the 2021/22 proficiencies and as a Club we will require attendance at the designated sessions. Please review the dates and if you foresee a problem please speak to Courtney as early as possible, not after all the scheduled dates have past. Thank you Courtney for your efforts in 2020/21 and proactive planning for 2021/22!

It's been a great privilege to see up close the enthusiasm of the Club's Co-Captains, Karlene Craven and Gemmaley Walsh, and the focus and drive they bring to the Surf Sports area of the Club. Surf Sports encapsulates the disciplines of board, ski, swim, beach, iron, boats, IRB racing, pool comp, march past and R&R and its testament to the Co-Captains, discipline captains and coaches that Cottesloe was represented in all disciplines across the season. Each Sunday was a sight to behold with morning activities in board paddling, ski, beach, and of course the Marquee

Event of the Club Swim at 10:30 AM, under the capable control of Sonja Madden.

Surf Sports remains one of the pinnacle skill development activities that members can undertake that not only improves their skills but also their fitness. Aside from the personal benefits of participating in Surf Sports, there is nothing like cheering on your fellow Club members as they compete for the Club at a carnival to raise Club spirits - particularly as that fortuitous and decisive wave rises behind them! As season 2021/22 will culminate in the Aussie's being back in Perth I'd encourage anyone with athletic flair and a bit of Steven Bradbury placement magic to get their Bronze Medallion early and join in with Team Cottesloe!

We should all again join in congratulating Julian Barry for another outstanding season of the Woodside Nippers Programme. While this programme, and its significant support from Woodside, is in its second year and continues to grow from strength to strength, Cottesloe has had an outstanding Nipper program for the last 40 years plus. However, with the additional resources available through the Woodside programme and the consistency of approach it does create another one of those 'sight to behold' moments on a Sunday morning. Thanks to all the Age Group Managers and Coaches that have helped with the Woodside Nippers Programme this season - it is very much the quintessential 'iceberg' contribution, for every hour we see on the beach there are three hours unseen. Thank you all.

It was great to welcome Jesse Tucek to the Management Committee as the Youth Development Officer. Jesse harnessed his Club experience, SLSA leadership college experience and roles at the state level to become a 'surf evangelist' in pointing out all the pathways available to the youth members. I look forward to the continued development of the youth community that he's fostering with Dom Lawrence and think it will be a great next step in the continuing engagement with our young members.

Thanks to Deb Dean, for continuing in the role of Lifesaving Officer. The Lifesaving Officer role is definitely one of the more challenging positions in the Club. I say this understanding that from 1977 to current, 'challenging' is one of the more frequently applied terms in annual reports. Deb has brought the compassion of a mother combined with her professional acumen to the role. While many of the challenges of reports past are reminiscent of today's challenges, with a few additional legislative considerations to make things interesting, it is the relentless efforts of Deb and the Lifesaving Committee, the Patrol Captains, IRB Drivers and Crew and general patrolling members that makes us more than just a sporting club or a recreational pursuit. Thank you all for your efforts over the season.

## President Report (continued)

David Craig, freed of responsibility for toilet paper levels in the recent structural changes, continues to provide focus to the building project. With concept plans and building approval secured the effort of the last 12 months has been very much on identifying financing sources and developing the required documents to support any funding approaches that may be made. Opportunities continue to be explored as part of the broader Town of Cottesloe redevelopment of the beach precinct in terms of how we can benefit from the redevelopment or avoid any pitfalls.

Thanks to Kim Welch, Marg Bond, Myles Kennington, Owen Ashby, Michael McDonnell, Jo Suda, the Cottesloe Surf Veterans and their helpers for all their behind-the-scenes efforts across the season. If I haven't named you here then rest assured I no doubt realised this moments after emailing this report, thank you too!

Finally, I would like to extend the thanks of the Club to our Sponsors and Supporters - it would not be possible to achieve what we do without their continued support.

I encourage all members to avail themselves of the goods and services of our Sponsors and then thank them in person for supporting Cottesloe Surf Life Saving Club!

I look forward to welcoming you all safely back for Season 2021/2022!

**Benjamin Stephens**  
**President**

# General Manger Report

Dear Members,

It has been an absolute pleasure and privilege to have joined the Club this season in the role of General Manager.

The journey began back on 30 August 2020 when the Club held its belated Annual General Meeting on a beautiful sunny Sunday. Since then we have been fortunate enough to have had a reasonably uninterrupted season, with only two very short lockdown periods which did not cause major disruption to our Club activities.

As with all other businesses we have learned to become adaptable, deal with the unexpected and adhere to any restrictions or guidelines put in place by the WA State Government in relation to COVID-19. I would like to thank the members for their support and willingness to abide by the guidelines in place at the time when utilising the Club facilities.

The General Manager position has been part of an overall structural change at the Club that has seen various roles and responsibilities change. This has included changes to the day to day running of the club, the role of the Secretary removed from the organisational chart and the Education Officer no longer sitting under the Life Saving banner but elevated to a standalone position on the Management Committee.

While we have faced some early challenges while we settled into the new structure, for the most it has been a smooth and seamless transition and I would like to thank President, Ben Stephens, Deputy President, David Craig, the Management Committee as well as Club Registrar, Margaret Bond, for their support and guidance over the season.

Moving forward I am confident that this new structure will deliver positive changes across all areas of the Club, with our main focus on ensuring we provide a safe and welcoming environment where all members can come and enjoy not only our Club facilities but this beautiful stretch of WA coastline that we are fortunate enough to look over.

So as we conclude another year I'd like to acknowledge and thank our sponsors (Moss Wood, Barmingo, ACTON Cottesloe & Dalkeith, Jam Jar, Channel Nine Perth & Shakespeare Total Financial Solutions) and suppliers (Harvey Beef & Ampol) whose on-going support plays a pivotal role in ensuring the Club can continue to deliver the invaluable volunteer lifesavings services to the community.

Also, thank you to all our members and volunteers who ensure that the season is not only possible but also memorable, I look forward to many more over the years to come.

And lastly thank you to David Craig, Margaret Bond, Major Owen Ashby, Julian Burrridge, Michael McDonnell, Jo Suda, Tracy Tchami, Myles Kennington, Jim Laurenson, Wendy Craig, Ian Cook and Tash & Peter Leaversuch who have all significantly contributed to the operational and administrative running of the Club over the last 12 months.

Here is a brief snap shot of their contributions over the year. (Please see the Treasurers report for the financial performance of each area).

## Front Office

(Margaret Bond/Myles Kennington/Wendy Craig)

Despite the off season lock down and personnel changes, the admin office continued to operate all year round under the guidance of Club Registrar, Margaret Bond. Supported by Myles Kennington (tech support) and Wendy Craig (MPIO), the admin team has ensured the Club continues to meet all its reporting obligations to SLSWA and the Department of Mines, Industry Regulation and Safety as well as maintaining up to date and accurate records in Surfguard. (Please also see Registrar report)

## Facility/Building Development

(David Craig - Deputy President)

During the off season the Don Morrison was given a face lift with a fresh coat of white paint, transforming the room into a lighter brighter space. Outside of this planned project there were no significant repair works that needed to be undertaken on the building this year, however the ageing facility continues to present the Club with excessive on-going maintenance and repair costs. With many parts of the building approaching their use by date the Club will try to minimise expenditure in this area as we continue to pursue renovation/redevelopment opportunities.

A special thank you to Jim Laurenson, Owen Ashby, Graeme Johnson and the entire Veterans group who have all volunteered countless hours undertaking minor repair and maintenance jobs around the Club over the year.

## Cott Pylon Café/Sculptures by the Sea

(Owen Ashby "Major"/Julian Burrridge)

Despite some minor interruptions throughout the year the Cott Café continued to operate on Monday, Wednesday, Friday and Saturday mornings manned by our volunteer baristas and managed once again by Major Owen Ashby. In Owen's absence (holiday in Darwin), Julian Burrridge and Tom Brown stepped into the role organising the monthly barista roster and ordering the milk, coffee and other supplies. Julian has since maintained the role of rostering the volunteer baristas.

## General Manager Report (continued)

Sunday morning was once again the busiest day of the week for the café with the Nipper and Sunday morning activities ensuring a roaring trade. The North Street store scrolls proved ever popular as well as the traditional sausage sizzle and drink combo purchased from the outdoor café.

Once again a special mention to Julian Barry and the Age Group Managers for co-ordinating the Nippers parents to assist with the BBQ and outdoor café each Sunday morning.

Sculptures by the Sea was once again one of the Clubs main fundraising events for the year. A huge thank you to Harvey Beef who donated 6000 beef sausages and to Major Owen Ashby who organised the bread, soft drink, condiments and rallied enough troops to hand peel and chop 160 kilos of raw onions!

### Bar/Venue Hire

(Michael McDonnell/Jo Suda)

Friday nights carried on as member night with the Club bar made available to our members exclusively. Stubby Stakes continued to draw a crowd over the summer months with the occasional food truck and social function added in along the way.

As the State exited lock down and COVID-19 restrictions significantly eased there was high demand for venue hire over the summer months. Michael McDonnell (Bar Manager) and Jo Suda (Functions Co-ordinator) were kept busy with organising and rostering bar staff, ordering stock, taking bookings and responding to venue hire enquiries.

We now look forward to building on the Clubs social calendar for the upcoming season.

### Apparel

(Tracy Tchami)

The Apparel store was once again in operation over the surf lifesaving season with the familiar and friendly face of Tracy Tchami greeting customers each Sunday morning. Once again it was the kids gear, men's speedos and hooded towels that proved to be the popular selling items.

2021/22 will see the introduction of a new design and style of Club bathers, we look forward to seeing everyone in the new swimwear next season!

### Gym/Stubby Stakes

(Ian Cook/Pete & Tash Leaversuch)

The gym remains one of the most utilised aspects of the Club with year round HIT classes run three times a week by Ian Cook, as well as a host of training and conditioning programs for our athletes. There are also 36 gym members who regularly use the facility during the week and weekends.

The gym equipment is serviced half yearly with the life expectancy of a majority of the equipment still high, including the six ergos which are the most frequently used item.

Finally, it wouldn't be a Summer without the ever popular Stubby Stakes run-swim-run event, handicapped and adjudicated by Tash & Peter Leaversuch with Jim Laurenson as the timekeeper. This light hearted weekly event provides a great opportunity for members of all ages and ability to participate in a Club race while also getting the opportunity to meet and socialise with other members.

### Kim Welch

**General Manger**

# Finance Report

The Club maintained a financial surplus this year, which is the fourth consecutive year of surplus.

The surplus of \$71,212 supported an overall increase in cash holdings of \$76,894.

The Management Committee remains committed to a financial focus of building the Club's cash holdings, whilst maintaining a program of prudent asset replacement and necessary consumable spend.

Some key numbers for the Club, are:

Details	2021	2020	2019	2018
Total Income	645,156	592,027	617,349	608,035
Total Cash Receipts	645,640	624,643	638,328	546,613
Surplus for the Year	71,212	112,936	26,303	15,116
Total Combined Cash Resources	981,388	904,494	856,661	777,899

COVID 19 has unquestionably had an impact financially, although perhaps not to the extent, and direction, originally envisioned. The first part of the financial year did see the venue out of action, however the JobKeeper program did offset the staff costs in a more consistent fashion than relying on bookings in the off-season. Program minimum payments did result in qualifying casual staff being paid more than otherwise would have been the case, which is reflected in higher than average employment costs.

Despite a handful of events needing to be cancelled, principally related to the February lockdown, and the possibility of snap lockdowns anecdotally impacting on people's willingness to plan and hold events, the Bar still returned a surplus of \$31,259 which makes a welcome contribution to the financial position of the Club.

The Café results, the bedrock of the financial reports for a number of years, did take a slight COVID related hit but really did benefit from an almost uninterrupted summer season to still return a great surplus of \$16,980. Our thanks as always to Owen Ashby and his team of baristas for a great turnaround.

The Surf Shop enjoyed another year of surplus, although it can be a little academic given the multiple financial periods that stock can be held, sold or written-off. Adhering to the principles that we are providing a service to members rather than running a retail outlet; aiming to have stock in by Open Day; and never place a second order no matter how popular you think a garment is goes a long way to keeping the Surf Shop in surplus.

Sponsorship remains the lifeblood of many a community organisation, and we are no different. Thanks to our sponsors and supporters, your contributions in cash and in kind significantly contribute to our life saving operations and your ongoing support is not only very much appreciated but also vital in ensuring we can continue to provide lifesaving services to the community.

Fundraising continues to be dominated by the efforts across both the Cott Mile held in January and the Sculptures weekends in March. It is great to see all the distinct areas of the Club coming together to make both events such a success. There is scope to improve our fundraising efforts, for example, relaunching the Pylon Club as a means of generating funds for the Club as well as introducing our brand to potentially new supporters.

Another area of fundraising that has been highlighted by recent work of the SLSWA Fundraising team is in the area of bequests. Some great resources have been prepared to help members and supporters if they should wish to leave a bequest, and the gift can be made directly to the Club. It was the foresight of the Cottesloe Surf Veterans and then incumbent Management 20 years ago that gives us an excellent fund in which to receive bequests; and the prudent financial management of successive Management Committees that demonstrates we can be a trusted organisation to receive such a legacy.

We commend the financial statements of 2020/21 to your review and look forward to the continued financial success of Cottesloe SLSC in 2021/22.

# Club Registrar Report

Dear Members,

On behalf of Cottesloe Surf Life Saving Club, I welcome all new members and hope that they had an enjoyable and rewarding time this past season.

Our membership numbers for the 2020/2021 season were the highest recorded (2011: 1330, 2012: 1274 & 2014: 1252) & it is great to see our great club being chosen as the one to join. It is worth noting that the increase in Junior Activity Members also correlates to the increase in Associate members as one parent had to join to with a child 12 years of age and under. Feedback has also shown that the Econet

has had a positive impact on Nippers joining this season. It is pleasing to also see the increase in Active Patrolling Members (Cadet and Active memberships) which will enable us to have more patrolling members keeping our beach safe.

The table below details the different membership categories and number of members over the past three years.

## MEMBERSHIP COMPARISON

Membership Categories	2020 - 2021	M	F	2019 - 2020	M	F	2018 - 2019	M	F
Probationary	9	6	3	10	8	2	10	8	2
Junior Activity (5-13 yrs)	436	201	235	388	184	204	377	203	174
Cadet (13-15 yrs)	73	34	39	80	38	42	71	46	25
Active (15 - 18 yrs)	93	46	47	73	32	41	67	21	46
Active 18+	133	84	49	144	87	57	157	101	56
Award Member	1	0	1	3	1	2	1	0	1
Reserve Active	2	1	1	1	0	1	1	0	1
Long Service	63	55	8	63	55	8	63	55	8
Associate	499	244	255	448	200	248	430	192	238
Life Member	23	19	4	23	19	4	22	18	4
Country	12	10	2	7	6	1	11	9	2
Honorary	4	3	1	4	3	1	6	4	2
<b>Total</b>	<b>1348</b>	703	645	<b>1244</b>	633	610	<b>1216</b>	657	559

368 Members did not renew from the 2019/2020 season to the 2020/2021 season (406 Members from the 2018/2019 season & 310 members from the 2017/2018 season). This included approx. 30 Family membership groups and 64 Parent memberships (one parent has to join with a child 12 years of age & under) which would again correspond to the Junior Activity and Associate membership numbers.

## Club Registrar Report (continued)

### NON-RENEWING MEMBERS

Membership Categories	2020-2021	2019-2020	2018-2019	2017-2018
Junior Activity (5-13 yrs)	121	141	145	110
Cadet (13-15 yrs)	21	20	17	16
Active (15 - 18 yrs)	17	21	13	24
Active 18+	31	40	22	39
Associate	162	171	70	87

The Club had 460 new members join last season compared to 391, 431, 283, 336 & 382 over the previous seasons. The increase can be seen across the Junior Activity membership with at least one parent joining in the Associate membership category.

### NEW MEMBERS

Membership Categories	2020-2021	2019-2020	2018-2019	2017-2018
Junior Activity (5-13 yrs)	200	172	164	169
Cadet (13-15 yrs)	24	16	17	16
Active (15 - 18 yrs)	13	19	5	5
Active 18+	8	9	13	4
Associate	209	167	224	67

Transfers between clubs increased this season as a number of Junior Activity members (& families), particularly those moving up to Cadets, transferred out to other clubs. This included 59 members from the 2019/2020 season. 35 Members transferred to North Cottesloe SLSC with the balance spread across a small number of other clubs. 24 members transferred in from North Cottesloe and it is pleasing to note that this included 8 members who had originally transferred out.

### TRANSFERS

	2020-2021	2019-2020	2018-2019	2017-2018
Incoming	61	56	56	48
Outgoing	73	54	60	56
<b>Total</b>	<b>134</b>	<b>110</b>	<b>116</b>	<b>104</b>

There are many, many things that go into the running of this Club and it would not work as well as it does without the dedication, support and effort of the hard working volunteers who make this club great.

From an Administration point of view, we particularly notice this at our Open Day held annually in September and the Cottesloe Classic Mile © (our major fundraiser) held each January. A big thank you to Bec Czaplinska, Marg Bond and Paul Gerrard and every loyal volunteer for your ongoing assistance and support to these important events.

Please continue to tell your friends and family about the club & I look forward to seeing you all again next season.

*Yours in Surf*

**Margaret Bond**  
**Club Registrar**

## Surf Sports Co-Captains Report

This season was our first year as Co-Club Captains and it has been a season full of learning and rewarding experiences. We agreed to not only focus on competition but focus on creating an environment that fostered a sense of inclusiveness, opportunity and community spirit.

Therefore, we would like to say a massive thankyou to these following members that have volunteered their time to help achieve this. Chole Tucek (Vice Captain), Jesse Tucek (Youth Development Officer), Wayne Adams (Board and Ski Captain/Ski Coach/Friday Running), Glenn Eldon (Board and Iron Coach), Murray Bridgland (Swim Coach), Drew Masters (Sprint/Flag Coach), Ian Cook (Strength and Development Coach), Bruce Simpson (R&R/March Past Coach), Jeffery Burling (Surf Boat Captain), Paul Beattie & Stuart Turnbull (assisting with boat training), Peter and Natasha Leaversuch (Stubby Stakes and Sunday Morning Event Coordination), Sonja Madden (Handicapper), Jim Laurenson (Race Starter), Gail Robertson and Helen Franks (Record Keepers), Jo Suda (Photography).

We have been lucky to have a number of experienced coaches across many disciplines. These coaches have run a number of training sessions and offered much needed support to help develop our up and coming competitors.

A good example of inclusiveness, competitiveness and community spirit is on Friday nights and Sunday mornings down at the Club. Over the season Friday nights have included Wayne’s running sessions, Ian’s gym sessions, Stubby Stakes, Titans night, food trucks and simply just enjoying a drink while watching the sunset with our fellow members.

Sunday morning activities are ground zero for Cottesloe Surf Club - the morning is jam packed!! Most Sundays you would see our Vets hitting an early dip while the March Past ladies are learning their together strides, hot coffee is on

the menu at the cafe with preparation well underway for the BBQ, Marg is opening up the office for new members and taking monies from members willing to part with it, the first surf boat has been launched, the morning patrol is preparing for the busy morning ahead, Jimmy L is on setup for the Titans Sunday activities, Nippers are starting to gather looking at the water and what challenge they face today, our very own U14 to Open members are slogging it out against one another to sharpen their skills and competitiveness, Bruce has the R&R girls breathing and pacing, Sonja is gathering the swimming masses for the podium announcements, Tracy is selling the club merchandise and the busy morning culminates with a sausage sizzle, a drink and a well-deserved chat at the end.

Every area of this club is involved on a Sunday morning and we thank everyone for what they do to make this run what it looks to be..... Seamless.

### Surf League

SLSWA changed the format of the Surf League this season. They now have two age groups Youth (U14-U17) and Open (U17 and over) with each team made up with 4 Females and 4 Males. The events included: Males and Female Flags, Sprints, Boards, Ski, Ironman, Ocean Relay and Mixed 2 Person Board and Ski Relay (Open only). We entered a Youth and Open team to all three rounds. It was great to see our younger competitors mixing with some of the best in the state, learning from each race, supporting each other, shaking off a bad race only to improve in the next and competing against much older kids. At times we did find it hard to fill our Open team due to other commitments within and out of Surf Life Saving, that’s why a big thankyou is needed for our open competitors who stepped up and raced for Cottesloe. After three rounds we finished 10th in Open and 7th in the Youth. A shout out for the Youth team that earnt more points each round.

## Surf Sports Co-Captains Report (continued)

### State Team

It's fantastic to see two of our competitors being rewarded for their hard work and dedication to training over the season. A big congratulation to Max Eldon for being selected for the Western Suns Youth Team and Alicia Ward for being selected in the Western Suns Ocean/Beach Interstate Team.

### Masters

*A word with Stuart Cowie, Masters Co-ordinator*

The 2021 State Masters Championships were held on Saturday 27th February, at Mullaloo Beach this year. Cottesloe had a small contingent of Masters compared to other clubs but the 12 competitors came away with 19 medals finishing 10th out of 18 clubs on the day.

The 2021 State Masters Boat events were held with the Surf Life Saving Championships at Scarborough Beach on Saturday 27th March this year. The two crews (ANL & Muppets) entered, both medalled and the final point score for Cottesloe was 122 points, remaining 10th with a total of 7 gold, 6 silver and 8 bronze medals. It was a fantastic effort with every Masters competitor winning at least one medal.

### Aussies

With the relaxing of restrictions between Queensland and WA, Max and Glenn Eldon travelled to the Australian Championships at Maroochydore where Max progressed to the final of the U14 Board Race and was a quarter finalist in the U14 Ironman. A fantastic result - congratulations Max.

### Handicapper

*A word with Sonja Madden*

Let's get straight down to business by celebrating the winners this season. In some of the divisions, swimmers like Bailey Tucek, Paul Tucek and Jonathan Clarke established and maintained a lead by having a great start to the season and then turning up regularly to compete. In Divisions B, U17 and U15 it came right down to the wire with winners being determined in the final races. After 24 races for the season, the following members were the best, coming first, second or third in their respective Club Swim point divisions.

	1ST	2ND	3RD
A div	Bailey Tucek	Chloe Tucek	Bruce Simpson
B div	Graham Pember	Stephen Redbond	Lesley Meaney
C div	Paul Tucek	Gerard Hurst	Peter Gray
U19 div	Jonathan Clarke	Vera Ptolemy	Hollie Tucek
U17 div	Will Everett & Adam Fortey		Lachlan Bridgland
U15 div	Alyssa Walter	Harrison Webster & Flynn Czaplinski	
U14 div	Tara Kearns-Flanagan	Max Eldon & Sienna Howard	

For more results: <https://www.webscorer.com/cottsurf>

## Surf Sports Co-Captains Report (continued)

This year, after many years, helping out with the club swim, I put my hand up for the role of Handicapper, and soon had a renewed sense of appreciation for the work of all previous Handicappers. It seems it is an impossible task to keep all swimmers happy. There are always those that think they have been hard done by because their handicap is too high or because someone else's is too low. If they are satisfied with their handicaps, they are unimpressed with sealed handicap races or, in the case of some of the younger members, find it difficult to understand how the race points actually system works. It all makes for some lively banter on a Sunday morning.

This season, one of my goals was to share results on the day and I made it my mission to not leave the beach on a Sunday until the results were posted. On a couple of occasions, we thought results had been lost, however, we soon realised that the Webscorer system is very forgiving, recording every tap made during the day, so any crisis was averted, and the calls for going back to the good old days of pen and paper are becoming quieter and less frequent.

The most popular events this year were the Club Marathon and the Steppy Groyne-to-Groyne. Both events turned out to be very helpful in attracting new participants from within our Club Community. It was great to see mums, dads and siblings joining other family members for the Club Marathon. Due to the running and swimming components of the Marathon, it is notoriously challenging to handicap, and I was especially appreciative of the input from the Club Captains and running specialists in calculating the handicaps. It was not surprising to see the competition that eventuated on the day, with Jesse Tucek taking out line honours as fastest on the day, and other great performances seen in each of the divisions.

The Steppy Groyne-to-Groyne garnered our largest participant numbers for the season. Perhaps motivated by a 10 second cut to handicaps on offer, many swimmers took the Handicapper's advice and preregistered. In the end there were 72 swimmers creating 36 teams. Race day was hot, and after a long walk down to the Southern Groyne and a fiercely competitive swim, the eventual winners were Lesley Meaney and Graham Pember.

Of course, the club swim would not have run as smoothly on the day without our amazing helpers who turn up every week to help make it happen. A special thank you goes out to Jim Laurenson, Helen Franks, Gail Robertson and Liberty Madden for their consistent support. In addition, thank you to all the patrol captains, patrol members and IRB crews who were always ready to offer their services in putting out the buoys to create our course each week, as well as providing water-safety.

As testament to the popularity of the club swim, as an event for all ages, we regularly saw participant numbers in the high 50's and low 60's. Over the course of the season, we averaged 47 swimmers per Sunday, with a peak of 72 swimmers on the 31st January 2020. During the season, Christmas and New Year dates fell favourably and we only lost one week to the COVID-19 restrictions. That meant that we saw a total of 144 swimmers competing across 24 races. Special mention must go out to Bruce Simpson as the most regular swimmer. Bruce only missed one club swim during the season and that was due to competition commitments. After a busy but fabulous year, I will be handing over the handicapping duties to someone new, but look forward to seeing everyone on the beach once again next season. Thanks for a great year everyone!

### **Board & Iron Squad**

*A word with Glenn Eldon*

This season competitors and some brave parents started training early with Monday afternoon Board sessions in the river commencing at the end of April after the relaxing of COVID-19 restrictions which had cancelled the final six weeks of the 2019-20 season. The relaxing of restrictions allowed groups of 10 to train outdoors and with most other sports on hold we soon had two groups of 10 training regularly on Monday evenings and at Ironman/women training on Saturday mornings through the winter months. With the start of the surf season approaching Wednesday morning Board sessions were added to the program.

The skill, fitness and race smarts of the group continued to improve throughout the season and for our small group of competitors to achieve one gold and two bronze medals at the State Championships in Board and Ironman/woman races was a terrific effort.

I look forward to welcoming a new group of U14's next season, many of whom have trained with the senior group during the year and are keen to move up to Youth competition and master the big boards in time for Aussies in Perth 2022.

The best time to start training was last year, failing that today will do. It doesn't matter at what pace you improve only that you improve and want to improve. Next year's results sheet is a blank page on which you can write whatever you choose.

# Surf Sports Co-Captains Report (continued)

## Skis

*A word with Wayne Adams Board and Ski Captain*

What a season, so many highlights. From the disrupted end of last season we started training and building for 2020/21 season with many brave souls taking to iron/board sessions under Glen Eldon, swimming with Murray Bridgland, and mastering the sweet science of making a ski go faster with yours truly, I think the term "do as I say, not a I do" comes to mind. This season was about building a strong connection to the Cottesloe SLSC brand, and the pure enjoyment of training and learning with your friends. We did have a great young group donning the Cottesloe competition cap, and representing us proudly, getting well deserved attention from other clubs.

With the Aussies here in Perth next season training has already started, which we hope to have a strong representation from a number of our race hardened competitors. Having said that, I will always strive to encourage members to participate in our training sessions, even if you do not want to be competitive. I feel more about building self-confidence, and achievement. So I hope to see more people participate, and build valuable skills, and confidence.

Looking forward to next season.

## Beach

*A word with Drew Masters*

The beach competitors this season may have been running on sand, and they may have been running on grass but they were never running on empty! All age groups were represented, from those over fifty to nippers under eleven. Sessions on the hill at the rugby oval were alternated with running on the softest sand in the state at our beloved Cottesloe beach. Pretty much everyone survived.

Cottesloe Sand won three gold medals in the sand arenas at the State Championships through the imposing figures of Tom Clements in the under 12 Beach Flags and Alicia Ward in the under 19 Beach Sprint and under 19 Beach Flags.

Remember peeps - Cottesloe Sand Fairies! We fly!

## Swimming

*A word from Murray Bridgland*

Even under the circumstances of COVID-19 we had a great program for swimming. Right through the winter we had strong numbers participating in the build up to the season. We targeted specific carnivals throughout the season in our build up with an emphasis on the State Championships. All swimmers worked hard to be able to achieve their best results at states. I was quite impressed with this willingness

and as the season progressed I kept pushing the limits of the swimmers. It was great to see how much each swimmer improved in both technique and speed as I try to extract from each swimmer their best efforts.

As we progressed through the season the numbers participating also kept increasing. I like to keep everyone aware of the direction we are going and what we are trying to achieve. I will be applying the same principles throughout the coming season and will target specific carnivals with a build to States.

I believe the future looks bright and we will be a team to look out for.

## Boats

*A word from the Boats*

### Rebuilding the Boats

This season proved to be the foundation laying season to rebuild the Cottesloe Surf boats back to competitiveness with momentum starting swinging from the road trip taken to the Country Championships January in Bunbury. We had a mixture of the old and the new, the experienced and the not so experienced but a team togetherness was created with everyone having a great time and enjoying the atmosphere that was created. Before we knew it we were into March and the State titles loomed, training was at its peak and our sweeps were swept off their feet with work to do. By the time States came around we had 6 boat crews ready to take it on!! U19 Boys, U19 Girls, Open Girls, Open Male and 2 Masters Male crews. Our crews performed to their best and showed encouraging results moving into next season. Highlight of the season was to see the youth leading the way (as it should be) with the U19 Boys, the "Caveman", taking out a bronze medallion in the Short Course State Titles and our U19 Girls, the "Chaos", taking the silver medal in the State Surf Boat Championships. The 2021/2022 is going to prove even bigger for Cottesloe boaties with many hitting the winter season hard in preparation for the Perth Aussies 2022.

## R&R & March Past

*A word with Bruce Simpson*

### R & R

**U13 2 Person R and R:** Cottesloe had two teams, who trained enthusiastically and regularly throughout the summer, and successfully competing in Carnivals and the State Championships during 2020-2021 season. Both teams made the State Champs finals.

## Surf Sports Co-Captains Report (continued)

Team A in Annabel Hurst and Chloe Savage had a very successful season coming 1st or 2nd in carnivals leading up to the States Championships. Unfortunately at the final at the States they were incorrectly penalised 5 points by the Judges, who were not aware of change made because of COVID -19. Had they not been incorrectly penalised they would have tied for 1st and placed 1st on a countback. This information was only obtained the the week following the States and thus outside the protest period. An outstanding performance all season by Annabel and Chloe without the reward.

Team B in Zara Jones and Carla Chipperfield had their lowest score of the season in their heat at the State Championships and thus also made the final. A brilliant effort by two young girls still learning R & R routines.

Congratulations and thank you to all 4 girls for competing in the best possible spirit and without complaint. You have represented Cottesloe well.

**U15 2 Person R and R:** Kelsey Cairney and Mia Ward successfully completed in carnivals leading up to the State Championships. But unfortunately due State Championships entry conditions they were not able to compete.

Plenty of skill and ability shown by both girls and maybe next year will be their year.

### March Past

A new look all female Marchpast Team, many marching for the first time, represented Cottesloe during 2020-2021 in 2 carnivals and the State Championships. Each time lowering their score as they improved. The Cottesloe Honey Bees

came 5th in their first State Championship outing earning the Club a valuable 2 points.

Congratulations to Karlene Craven, Deborah Dean, Eliza Jackson, Liberty Madden, Lara Matier, Sophia Matier, Joelle Matier, Leesa Matier, Morrissy Everett, Phoebe Packard, Marina Scully-Ward, Gemmaley Walsh, Rowenna Buxton and Michelle McGovern.

We would therefore like to thank all members who have volunteered their time to make all of the above happen over the past season, including our loyal officials, without you none of this would have been possible.

Karlene Craven & Gemmaley Walsh  
**Surf Sports Co-Captain**

## Lifesaving Report

Dear Members,

Having passed the deadline for submitting the lifesaving report it is tempting to cut and paste from past year reports, as this Summer came and went without too much drama; about the same number of rescues as most previous years, a similar number of patrolling members, and hours patrolled and .... If you even got this far, no, I will try and provide some variation to hopefully provide a deeper insight into our patrolling season.

Firstly, we were again interrupted by COVID-19, with a couple of lockdowns impacting on our Club and our patrols. Thankfully our patrolling activities continued with fewer disruptions than last season, and we look forward to a return to a COVID-free world in the not-too-distant future. Currently, surf lifesaving is considered an essential activity for the purposes of being exempt from a lockdown - and as every patrolling member will know, it is not difficult to see why. Trips to the beach for all beach-goers provide immense physical and mental health benefits and become even more valued with COVID-19-related restricted socialisation rules.

Officially, our swimmer and beach numbers were down on the previous season (very disconcerting to be advised by SLSWA that we have 'lost' 6000 beach visitors, mid-season!) but that reduction should be attributed to 'data-entry fatigue' for our long-suffering Patrol Captains, who bear the responsibility of complying with SLSWA requirements, regardless of how difficult they may be, to implement. A once-an-hour log entry may seem insignificant, and to SLSWA most definitely it is not - but for those members who are busy with the myriad small jobs that are encompassed in the Patrol Captain role the 'statistics' entry often gets overlooked. For the record, our weekend patrols at Cottesloe were as busy as ever, if not more-so, despite zero international tourists.

This is the second season of the Eco-shark barrier being in place and I am sure I am not the only one who thinks the beach now looks naked, once it has gone for the winter? We have been asked for lane markings, to prevent collisions, such is its popularity with ocean swimmers - please don't tell the council this has been suggested as I am sure someone will find a way of spending rate-payers money on a study. Common-sense usually prevails amongst the swimming fraternity, and when it doesn't, your friendly Cott Surf lifesaver is there to patch up the scrapes.

Our patrolling numbers remain fairly constant with those of the previous year, in terms of hours patrolled, and numbers of patrolling members. Compared to other Clubs we continue to punch above our weight in terms of volunteer hours per qualified member and on behalf of the Club, I thank each and every patrolling member for their contribution, ensuring one of the most visited beaches in the State is also one of the safest.

Ensuring we have enough trainers to offer Bronze Medallion training remains an issue, and one that is a constant source of difficulty for most Clubs. Training requires a huge time commitment from trainers and our lack of qualified trainers means those that do contribute have an unsustainable volunteer workload. Other Clubs have found different solutions to this problem and we may have to change our training strategies to ensure we provide the quality of training, and diversity of training course options that the Club requires. In the meantime, my sincerest thanks to all Club trainers and assessors for their time and effort - I look forward to continuing to work with you all to figure out the best way for us to provide the quality and quantity of training we need to ensure our patrols are sustainable and proficient.

## Lifesaving Report (continued)

### Patrols

For the 2020-21 season we had 14 Patrol Teams, with a minimum of six rostered patrols (averaging seven patrols) and a minimum of 12 members on each patrol. Most patrols now have an IRB Driver and at least one IRB Crew member, which is an improvement on past years.

We had three new Patrol Captains lead patrol teams this year: Dom Lawrence with Simenson Patrol, Jack Nalty leading Bishop Patrol and Phoebe Packard on Hofmaster Patrol all taking on the PC responsibilities. Thanks to these young members for accepting the challenge of the Patrol Captain role - and to those more experienced patrol members on their teams who must balance mentorship with keeping out of the way and allowing our younger members gain experience the old-fashioned way - by taking charge and getting on with the job.

Thanks must also go to current Patrol Captains, for their continued service, expertise and mentorship of younger

members (see above!). As detailed below, a pleasant afternoon watching beach-goers can quickly change, and competent leadership and strong teamwork skills ensure the best possible outcome can be achieved, whatever the situation may be.

### Patrol Members

Special mention and much gratitude must go to the patrol members who volunteer hours well in excess of their rostered duties, and those who perform multiple duties, (Age Group Managers, ad-hoc Water Safety, event and off-site IRB duties) for which no formal credit may have been documented.

### 100% Patrol Hours:

Nicholas Hancock	Gavin Ponton
Daniel Savage	James Jenkin
Paul Ruiter	

### MEMBERS WHO COMPLETED IN EXCESS OF 50 PATROL HOURS THIS SEASON:

MEMBER	ROSTERED PATROL HOURS	ALL PATROL HOURS
Dominic Lawrence	43	92
Michael Ivey	47	89.25
James Jenkin	44	67.75
Phoebe Packard	48	58.25
Deborah Dean	48	54.75
Macsen Friday	39	54.22
Paul McCarthy	43	53.5

### Events

2020/21 saw the usual annual swim events taking place, with only the Swanbourne SLSC Swim being cancelled, due to a COVID-19 lockdown. CSLSC provided water safety to many events during the season, some of which provide a revenue source to the Club. This past season we achieved a solid level of support at all events, which must be attributed to our Patrol Officer, Paul McCarthy, taking the reins here and ensuring we met our obligations. We also made sure Water Safety volunteers enjoyed a post-event morning tea or lunch and we can thank the North Street Store for giving us a discount on their rolls and cinnamon buns - the sugar rush after busy mornings on boards was much appreciated (except by those of us allergic to carbs!).

The Cott Classic Mile, Swim Thru Rotto, Rottnest Swim and the Open Water Series Events, as well as numerous intra-

club events require IRB drivers and crew, First Aid and Water Safety support. As always we are grateful to members for their contributions to these events which could not take place without our members volunteering their time and skills to ensure event swimmers can perform to their best, knowing they are only an 'assistance required' signal away from a board or IRB pick-up when needed.

### Drone Patrols

Drone patrolling continued this year, with James Jenkin supervising and coordinating the drone roster. An alternate launch site improved our access for drone patrols and our young team demonstrated a terrific commitment to the operation, conducting over 200 flights. A number of other Bronze holders have expressed interest in gaining their Drone qualification and it is SLSWA's limited resources here that are slowing down our Drone training.

## Lifesaving Report (continued)

### Rescues

Our (statistically, at least!) safe beach, remained so, again in 2020/21 with only ten documented rescues taking place over the season. Hidden behind this number is that six of these took place during a single patrol, on Sunday March 21st, when our benign surf conditions turned into a nasty shore-dump on an otherwise lovely afternoon, placing the under-resourced Rose Patrol team under immense pressure. Congratulations and well-done to Patrol Captain Shane Mogan, Bronze holders Cameron Duffy, David Craig, Jane Gouvernet, James Hosking, Eliza Jackson and SRC's Rowan Brent-White and Clara Collier who managed multiple rescues in a short amount of time.

Julian Barry also conducted a notable rescue at the end of a long patrol day, when the flags were down and the team had departed from the beach. It was the classic case of a small group of friends swimming to the pylon, but the weakest swimmer was unable to return to shore. Julian was in the boatshed when the swimmer's friends alerted him to their mate's plight and he didn't hesitate to conduct a difficult tube rescue, with no additional assistance immediately available.

Also of note, was the exemplary conduct of one of our more junior, but rapidly becoming most experienced, members - Dom Lawrence. Dom continued to participate in volunteer patrols at Cottesloe, despite gaining a full-time Lifeguard position at Rottnest for the season - and he also volunteered for the Abalone Patrols, encouraging Club members to join in for some of the sessions. He was part of a team that were involved in a resuscitation event during one of the Abalone Patrols (ultimately unsuccessful, resulting in a fatality) - but his strength of character is such that his response to this event was to try and encourage more CSLSC members to participate in the Abalone Patrol, knowing that this patrol needs as many competent lifesavers as possible to make the most difference to rescue outcomes.

As Lifesaving Officer, I very much rely on the support of our Administration team, so thanks to Kim Welch, who has tackled his new position as Club General Manager and the 2020/21 season challenges with good grace and humour, all the while on a steep learning curve in the Surf environment. Oxygen - check! Radios - check! Tower -

check! And as we go to press, he even found the back-up key for the safe, so next year we will be able to comply with SLSA regulations regarding the Green Whistle pain relief - Bronzies note, we will be adding training courses to the program, once we have trainers trained - and the merry-go-round continues again...

Whilst Kim is in the initial phase of his Surf career, Marg Bond remains the font of all knowledge and I cannot say how grateful I am to her for her patience and support, particularly when I once again send SurfGuard computers into an endless loop attempting to download a meaningful patrol report. Paperwork and spreadsheets never my strong point, but Marg has my back - thank you Marg!

Had I completed this report on time, at the end of the season, it would have been very brief - season-end fatigue had set in. At times the Lifesaving Officer role is a full-time job, with no benefits except perhaps for having the interesting effect on members when a casual stroll down to a Saturday or Sunday patrol would cause members to scurry off in different directions - particularly those not in correct uniform! With the benefit of a little hindsight it is easier to reflect on the positives - the terrific attitude of most patrolling members, generously giving up weekend hours and precious family time to provide lifesaving support for our Club. Whilst we have plenty to do to continue to improve our standards we should all be proud of the service we provide to Cottesloe beach-goers and I thank every member who showed up for patrol (even if you did forget your quartered cap!) and made sure our beach-loving public were kept safe, while they enjoyed their visit to our wonderful Cottesloe Beach.

## Education Officer Report

The 2020/2021 season has seen a few changes within the Education area. Not only has Education become a separate entity within Cottesloe SLSC, separating from Lifesaving, but we have seen changes to courses and how courses (along with Proficiency) are run.

The following changes have occurred:

- First Aid removed from the Nipper Surf Rescue Certificate
- Oxygen removed Bronze Medallion (in which no Bronze holder will be allowed to operate the Oxy-viva as of the 2021/2022 season)
- Spinal management been reintroduced into the Bronze Medallion

Proficiencies were again a challenging aspect of the season; however, most members were able to have theirs complete before the December 31st cut off. This season we completed Water components on Patrols and Dry components during Trainer run sessions. A big thank you to Patrol Captains for ensuring their members were proficient and for running the Water components.

With the small number of dedicated trainers at Cottesloe, we have run 4 Surf Rescue Certificate courses (41 participants), 5 Bronze Medallions courses (47 Participants), 1 Advanced Resuscitation Techniques Certificate course

(8 participants), 1 IRB Crew (12 participants) and Drivers (2 participants) course, along with many others. The fantastic work that our trainers do each season is amazing with the time and effort applied to ensuring all members are updated with awards and ready to go for Patrols. A big thank you to our Trainers, Deborah Dean, Stafford Sharpe, Ben Stephens, Stephen Goddard, Nick Hancock, Libby Madden and Dom Lawrence. Additionally, a big thank you to our Assessors, Stephen Goddard, Ben Stephens, Deborah Dean and Nick Hancock.

**Courtney Franz**  
**Education Officer**

EDUCATION

# Youth Development Officer Report

This season was the start of a great new future for the youth of Cottesloe. With 175 youth members (Under 14 to Under 19), including 38 new youth members joining throughout the season, it was exciting to see the young Cottesloe community growing.

As usual, the season started off slow with a couple of rainy, windy and big surf Sunday mornings, but that didn't deter new and seasoned Titans from coming down to bear the conditions to develop their skills for the upcoming Surf Leagues and Endurance Champs and for their general love of Sunday morning activities.

Supported by the exceptional new leadership and drive from Surf Sports Co-Captains, Karlene Craven and Gemmaley Walsh and commitment from coaches, we saw great turnouts at the early season carnivals, Endurance Champs and Surf Leagues (despite the trying conditions).

I thought the Cottesloe Youth Information Night was a great opportunity to really lay out the opportunities that Cottesloe's youth have within Cottesloe SLSC, SLSWA and SLSA. The event also showcased some of the young leaders within the club and their past experiences and it was also a chance for the youth to get together early on in the season and share some pizza. I received great feedback from parents and was approached by many youth about how they can get more involved, attend camps and expressing the desire to develop their life saving skills, and this definitely showed throughout the season. In December we had the Cottesloe Youth Night, where a lot of new youth, old youth members and old old members had the opportunity to chat, meet and hang out in a relaxed and non-competitive environment, whilst enjoying a beautiful Spanish Paella. It is a shame the appearance of an old Surf Life Saving nemesis, the Tiger Shark, stopped us from achieving a Stubby Stakes record, but Tash Leaversuch quickly put together a non-swim, high intensity, cross-country running event to satisfy our Friday arvo workout craving.

Stepping into the New Year, we had both the SLSWA Youth Camps with Tara Flanagan, Ashley Atwell and Max Eldon attending the TOAD Camp at Rottnest Island and Lachy Bridgland and Marcus Van Bueren attending the Rise Up Camp in Pemberton with me. Both camps were a great success with the attending youth expressing their gratitude and sharing their stories about trips. Hopefully the friends and leadership skills they developed will benefit Cottesloe SLSC and its youth over the coming years. Congratulations are also needed for Adam Fortey who finished as a finalist for the Youth Official of the Year and Ashley Atwell who finished as a finalist for the Youth Achiever of the Year.

Toward the end of the season, the U13 nippers (next season's youngest Titans) joined the Titans on their last Sunday morning of the season to see what was on offer in Titans and get them excited for the fun and competitive atmosphere, and the opportunities that come with being a Titan. We are excited to welcome this group into Titans next season.

Finally, over the weekend of April 9, 10 and 11, the Cottesloe Youth Camp was successfully held. The weekend was packed with icebreakers, team games, an amazing race, a very interesting talent show by all reports, outdoor and indoor activities (thanks to the weather) and lots and lots of food. The goal was to bring 30 of Cottesloe's youth together, get them out of their comfort zones and give them the opportunity to bond and get to know each other in a different setting. With special appearances from Karlene, Wayne, Ian, little Seb Cook, little Kiera Adams, a few parents and senior Titans, the youth had the chance to develop networks in all levels of the club and see it for the great family that it is. Run by Bailey Tucek, Chloe Tucek and Jeffrey Irvine, the camp was in somewhat safe hands... This camp was much needed after several years without it and will hopefully pave the way for bigger and better camps in the future.

Before the beginning of the 2021/2022 season, the Cottesloe Youth Council will have been formed, serving the interests of Cottesloe's youth by developing reports and advising the Cottesloe SLSC Management Committee. Several youths have been identified as leaders and will be asked to join the Council, but it is also open to youth expressing an interest in developing their leadership skills. This Council will give the youth a voice on matters impacting the youth, such as the rebuild of Cottesloe SLSC, the organisation of future camps, club events, and will offer suggestions for youth events and activities.

The 2020/2021 season was the beginning of a long and exciting future for youth development at Cottesloe SLSC, with many more ideas in the works, youth members who are proactively networking, developing new skills and getting more involved in the Surf Life Saving movement. Senior members, especially the Management Committee, are putting an even greater focus on creating opportunities for Cottesloe's youth. Nothing but exciting times ahead!

**Jesse Tucek**  
**Youth Development Officer**

## Junior Activities Officer Report

**WOODSIDE NIPPERS**

2020/2021 proved to be another successful season for our Nippers, with over 430 of our youngest members partaking in our Woodside Nippers program.

There were many highlights over the course of the season, however a significant achievement was the ranking of 5th place overall at the 2021 Nippers State Championships held at Scarborough in March, along with Cottesloe nippers Piper Lloyd (U13's) and Tom Clements (U12's) winning State Nipper Age Champion in their respective age groups! This was a tremendous effort, and a great reward for not only a determined team of Nippers, Age Group Managers and coaches, but also for the fantastic support team that brought them to that result - parents of course, our own club Officials, carnival entries (Justine Savage), water safety, trailer towers, board hoarders, sausage sizzlers, café volunteers...an awesome team effort which saw our kids thrive as a result.

The board/swim/iron squad training (affectionately known as CIA - Cottesloe Iron Academy) provided on Wednesday mornings and Saturday afternoons, was led by Lisa Whitmore and supported by Gerard Hurst and Rowena Buxton. Lisa again proved to be an excellent mentor and coach for our competitors, which resulted in some fantastic achievements in the competition arena. I'm sure I speak on behalf of many in thanking Lisa for an extraordinary effort this season, and we wish her all the very best in her "retirement" from coaching. There were many others who also contributed to the success of this squad, and I'd particularly like to thank all the parents and AGM's who provided water safety and additional coaching during the season. Congratulations to Joshua Clements (boys) and Paige Grover (girls), who were recipients of the CIA Coaches Awards, for most consistent athletes in the CIA squad.

In addition to CIA training, a small group of our competitive Nippers also participated in Murray Bridgland's pool swim training squad, providing an extra dimension to their

training and competition (thanks for another great season of coaching, Murray).

Sunday morning activities and surf carnival competition would not be possible without the dedication of our Age Group Managers who put so much time and effort into developing our future lifesavers, and a very special "Thank You" to the following team members:

U6	Marina Scully Bella Cowie
U7	Imogen Gracie Kate Ivey Elizabeth McAskil Gerry Flanagan
U8	Samantha White Brendan White (with help from Isabelle & Matilda)
U9	Julian Barry Andrew Packard
U10	Gerard Hurst Shane Davies
U11	Rowena Buxton Brad Howard
U12	Lisa Whitmore Bec Czaplinska
U13	Craig Swaine Danny Savage

## Junior Activities Officer Report (continued)

Thank you to Craig and Danny, who have completed their respective tenures as Age Group Managers, and also thanks to Samantha & Brendan White for commencing with the Under 8's. Thanks also to Shane who stepped up to assist Gerard with the U10's.

The Club Marathon is always a popular event, with all age groups participating. The U9 - U13 age groups competed in the long course of 2.25km (200m run, 400m swim, 1200m run, 200m swim, 250m run) whilst the U6-U8's complete a shorter course set by their AGM's. This season's Junior Marathon coincided with our Christmas break-up, so a visit from Santa arriving by IRB topped off an exciting morning for our Nippers. The marathon results were:

	HANDICAPPED FIRST ACROSS THE LINE	FASTEST TIME
<b>Girls</b>	Charli Czaplinska (U12)	Charli Czaplinska (U12)
<b>Boys</b>	Jack Hurst (U10) & Callan Curtis (U11)	Ned Eldon (U12)

The Club Championships were run for the U9-U13 age groups, and this season we again combined the Juniors with the Senior Club Championships to showcase Cottesloe's competition strength as one Club. There were some amazing feats of competition, endurance and determination in some challenging conditions, including beach erosion and the eco barrier providing an extra obstacle for the longer craft races. Again, thank you to all who helped facilitate the day, and a full list of Club Championship results follows this report.

Cottesloe once again hosted a "Little Nippers" carnival for the U8 & U9 age groups in January, which was an extremely successful event. It was great to see so many of our own Nippers from Cottesloe so well represented, again with some great results for the club. Thanks to all of the AGM's, coaches, parents, members and officials who assisted with carnival set-up, pack-down, marshalling, water safety and officiating.

As mentioned previously, Cottesloe enjoyed a fantastic team result at the Nipper State Championships, placing a very respectable 5th overall. Cottesloe won 28 medals - 9 gold, 12 silver, and 7 bronze - a solid result with talent displayed across all disciplines in both team and individual events, with strengths across board, swim and beach events.

At the State Championships the SLSWA Nipper Club Achiever awards are presented to an U13 Nipper from each club, recognising their contribution to education and sport. Congratulations to this season's winner, Annabel Hurst, who was also chosen as the 2021 WA Nipper of the Year, a great ambassador for Cottesloe!

To mark the end of the season, a small band of our Nippers have commenced competition in the SunSmart Pool Rescue Series which sees some great competitive events out of the surf and in the pool. Events are designed around honing rescue skills, including the patient tow (tube rescue), manikin carry, and brick carry. Thanks to all the parents who have contributed and supported our young champions, with particular mention to Bec Czaplinska for co-ordinating registrations and training.

Bec was also the co-recipient of the Acton Real Estate Award for Dependability (along with Myles Kennington), which was presented at our recent Annual Dinner. Congratulations Bec!

Thank you to all who have contributed to a highly enjoyable and rewarding season, both on and off the beach. Enjoy your off season, and I look forward to seeing you all on the beach and around the club in season 2021/22.

**Julian Barry**  
Junior Activities Officer

JUNIOR AGE GROUP

# Cottesloe Classic Mile Report

A big thanks from the Club goes out to all of the members who contributed to a hugely successful 37th annual Cottesloe Classic Mile 2021, held on Saturday morning January 9th. Conditions on the day were perfect, with a flat ocean, warm weather and gentle breezes. There were some stingers, but no swimmers were seriously affected.

A record 717 swimmers entered the races, making for 9 colourful waves of swimmers between the three events - 400m for juniors and novice swimmers, 3km for the diehards, and the 1600m Cottesloe Classic Mile. As each year comes and goes we are getting better at accessing the market, through an expanding database of past swimmers and through social media. More swimmers means a greater logistical challenge - think more waves of swimmers for safety, more race kits to prepare - but we can manage it all with continued member involvement.

Over 75 members assisted with organising the 2021 event, packing race bags, registering swimmers, taking late entries, selling t-shirts, setting up the arena and courses, briefing competitors, marshalling everyone in a COVID-safe way, presenting the prizes, and most importantly providing water safety and first aid. Key coordinators were Paul Gerrard, Kim Welch, Marg Bond, Bec Czaplinska, Mike Franz, Deb Dean, Paul McCarthy, Tanya Franz, Anthony Paini and Mike Ivey.

Thanks also to Club stalwart Berkeley Allen for being the official Starter, and to patrolling member and Cottesloe MLA Dr David Honey for assisting with the presentations.

We all know that 2020 was a challenging year due to the COVID-19 pandemic. Social distancing and sanitising became behavioural norms around the world. For the Cott Mile organising team it meant planning an event without being fully certain how we could run it. For a while there were doubts whether such events would be permitted. If they were, how would we manage social distancing?

Fortunately, the hard WA border controls meant somewhat less limitations for our event than could have been present if a second wave of COVID-19 had occurred. We still had to prepare a comprehensive COVID-19 Event Plan for the Town of Cottesloe, showing how we would manage social distancing, marshalling, sanitising, etc. Some specific elements of this plan was a revised registration setup, with participants not entering the Clubrooms, and chairs in the finish chute so that swimmers could sit to remove their own timing bands.

Recently the Council has enforced sustainability matters into approvals, with the result that we no longer provide single use bottles of water to swimmers. There was a new cost this

year in providing a water tanker at the finish zone, allowing people to fill their own water bottles or drink from bubblers.

Our key Sponsors and Supporters this year were:

- ACTON Cottesloe/Dalkeith - the new major sponsor of this event helped us lift the cash and kind prizes to over \$7000! ACTON also provided 800 bags which allowed us to provide every swimmer with an individual race kit including their swim cap, timing band, t-shirt/s, Aqualyte sample, and a spot prize if relevant.
- Marbret International (Brett Huitenga) - Awesome beach towels provided to all age category winners.
- Vidlers on the Beach (David Cookson) - prize vouchers.
- ID Athletic - They provided the awesome 2021 t-shirts, which basically sold out. The popular t-shirt design was again done by Advance Press.
- Aqualyte - (Ben Tarbox) for the amazing recuperative Aqualyte provided in the race kits.
- The Western Force and the Claremont Pool for spot prizes.
- Rottnest Channel Swim (Nick Blackburn) - for the loan of the course buoys.

All of the registration and results was again managed seamlessly by Stuart Fuller and his team at Blue Chip.

Find some event photos at Cottesloe Classic Mile 2021 Facebook page. If you have more, please add them.

The 38th annual Cottesloe Classic Mile is scheduled for **Saturday 8th January 2022**. Put the event into your calendar now.

Paul Gerrard

**Cottesloe Classic Mile Co-Ordinator**

## Veterans Report

The Vets have once again had a successful year in supporting the Cottesloe Surf Life Saving Club. The Vet members, most of whom are full Surf Club members, have not hesitated in supporting various tasks when asked.

From a financial sense, the Vets continued their objective to donate a further \$5,000 to the Club, particularly as the Vets did not have a project to add to its finances. This brings the total amount donated to the Club around \$120,000. I understand this would place us second in amounts donated behind a substantial donation from a Club member from the 1950's. Another function for which the Club received the total benefit was the Sculptures by the Sea. The Vets assisted in doing the job that no one wants, peeling the onions, some 200kgs for the sausage sizzle. Also the Vets managed one of the time slots putting the good products forward. So from a Club point of view it is hoped that the assistance given is appreciated and acknowledged.

The Cott Café is continuing to be supported by club members who are also members of the Vets to fulfil the duties in servicing those that support the use of the Cott Café. It will be noted in the financial report that this area is also an excellent revenue earner to assist the management in the running of the Club. Club members who run the points races each week are Vet members who are happy and prepared to put in a little extra.

From a maintenance area, we continued with the maintenance of the Honour Boards which involves

purchasing the tags and ensuring the boards are updated so that the history of the Club is up to date. We also attend those little jobs around the Club to ensure all members have a good experience when attending the Club. This includes maintaining the shower heads in the change rooms, paint touch-up to various sections of the Club, maintain the gate sand traps and ensure the courtyard lawn and garden out the front are kept in a presentable manner. I know that some people may yawn at this but they are all jobs that require doing and someone has to do it. Over the years this has saved the Club several thousand dollars. All this assists the management in keeping to a budget and still provide good facilities to its members. So, if you wish to give a little back to the Club which has provided superior training, much enjoyment and lifelong friends over your active time at the Club, we invite you to become a member.

On behalf of the Vets, we wish the Club a successful year and we appreciate being able to be of assistance in a continuing manner. The need to belong to a Club such as this is both compelling and rewarding.

**Robert Watkins**  
**Chairman**

# Perpetual Foundation Fund

The Perpetual Foundation Fund consists of donations and bequests from generous people in the Community who support our vital volunteer work to ensure our iconic lifesavers can continue to save lives on the beach.

As Chairman, I report that the Trustees of the Foundation, consisting of Robert Watkins, Margaret Bond, Bruce Simpson, Benjamin Stephens and myself, met twice during the year. This year, the only change to the Trustees of the Foundation was due to the change of the President of the Club.

The role of the Trustee is to manage and administer the Fund and I thank these members for their contributions during the year, especially Margaret who researches the various investment options to be passed on to the Management Committee. Funds were invested for longer terms this past year to obtain the highest interest rates possible. Funds are invested in government guaranteed institutions in line with the Constitution.

I am happy to report the Fund cash in bank balance as at 30 April 2021 was \$27,644.86 (which included interest from Term Deposits, Interest plus donations). Five Term Deposits totalling \$710K are now held on behalf of the Foundation. Therefore, total funds held as at 30 April 2021 were \$737,644.86. Donations from our generous Donors

and Cottesloe Veterans (\$5K) totalled \$12,215.98 this year. We would like to take this opportunity to thank our valued supporters for their generous donations & ongoing support to the Club &, in particular, the Foundation. We would also like to thank the Club for their support over the years and whilst they were unable to transfer funds to the Foundation this year due to COVID-19 club fund limitations, the support from Management is still recognised and acknowledged.

It is important that members are aware that as a Perpetual Fund capital is preserved. The Club's Management Committee can only access five percent of Fund without having to call a Special General Meeting and obtaining a majority at that meeting to access funds in excess of this percentage.

To find out more information about make a donation or bequest to Cottesloe SLSC, please contact the Club.

I thank all donors to the Fund and can assure them that any such contribution will be properly managed for the benefit of Cottesloe Life Saving Club.

# SLSWA Sporting Hall of Fame Inductee – Cottesloe SLSC & Trigg Island SLSC

*Brendon Sarson*

# Australian Institute for Disaster Resilience Volunteer Leadership Program

*Dominic Lawrence*

## Silver Medallion for Bravery - Lifesavers Award

*Jake Fisher*

Visiting Gas Bay, Gnarabup with a group of friends, seventeen-year-old Jake was alerted by a friend to a member of their group struggling in the rough water.

With an offshore storm generating large swell and strong currents, the young girl, who was not a confident swimmer, had found herself in trouble and was being pulled out to sea in a rip.

Without hesitation, Jake entered the rough water, swimming out to the panicking individual who was struggling to breathe as she was continuously being dumped by waves. Supporting her, Jake was able to calm her down and, negotiating the waves and rip, tow her safely back to shore.

With few others on the beach that day, witnesses say that Jake, who is a member of the Margaret River Surf Life Saving Club, showed composure and courage, and were it not for his quick actions, the outcome could have been very different.

Jake is also a long term member of Cottesloe SLSC carrying on three generations of family membership.

# Notes to the Financial Statements

## 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report covers the Cottesloe Surf Life Saving Club Inc ("the Club") as an individual entity. The financial report is presented in Australian dollars, which is the entities functional and presentation currency.

The financial report consists of the financial statements, notes to the financial statements, the officers' declaration and auditors reports.

### Basis of Preparation

This financial report is a special purpose financial report prepared for use by the Management Committee. The Management Committee has determined that the Club is not a reporting entity.

These special purpose financial statements have been prepared in accordance with Australian Accounting Standards applicable to entities reporting under the Associations Incorporation Act (WA) 2015, Australian Charities and Not-for-profits Commission Act 2012 and Australian Charities and Not-for-profits Commission Regulation 2013 and the significant accounting policies disclosed below, which the Management Committee has determined are appropriate to meet the needs of members. Such accounting policies are consistent with the previous period unless stated otherwise.

#### *Historical cost convention*

The financial statements have been prepared under the historical cost convention.

#### *Critical accounting estimates*

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires the Management Committee to exercise its judgment in the process of applying the entities accounting policies. There are no areas identified involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements.

#### (a) Accounting Policies

The principal accounting policies adopted in the presentation of the financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

#### (b) Revenue recognition

Revenue is recognised when it is probable that the economic benefit will flow to the Club and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

#### *Membership fees*

Membership fees are recognised at the time of receipt.

#### *Donations*

Donations are recognised at the time of receipt.

#### *Interest*

Interest revenue is recognised on receipt.

#### *Other revenue*

Other revenue is recognised when it is received or when the right to receive payment is established.

#### (c) Income tax

The Club is exempt from income tax under the provisions of Section 50-5 of the Income Tax Assessment Act 1997.

#### (d) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less.

#### (e) Trade and other receivables

Other receivables are recognised at amortised cost, less any provision for impairment.

#### (f) Property, plant and equipment

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

The carrying amount of plant and equipment is reviewed annually by the Management Committee to ensure it is not in excess of the recoverable amount from those assets.

The depreciable amount of all plant and equipment is depreciated on a straight line basis over the useful lives of the assets to the Club commencing from the time the asset is held ready for use.

## Notes to Financial Statements (continued)

### 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The depreciation/amortisation rates used for each class of depreciable assets are:

<b>Class of Property, plant and equipment</b>	<b>Depreciation rate</b>
Plant and equipment	20%

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the incorporated association. Gains and losses between the carrying amount and the disposal proceeds are taken to the statement of comprehensive income.

Depreciation has not been applied to Buildings which are located on land registered in the name of the Club.

#### (g) Impairment of non-financial assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs to sell and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

#### (h) Trade and other payables

These amounts represent liabilities for goods and services provided to the Club prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

#### (i) Inventories

Inventories consist of bar and apparel stock and are measured at the lower of cost and net realisable value. Costs are assigned on a specific identification basis and include direct costs and appropriate overheads, if any.

#### (j) Leases

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

#### (k) Employee benefits

Provision is made for the Club's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year together with benefits arising from wages and salaries, annual leave and long service leave which will be settled after one year, have been measured at their nominal amount. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the Club to employee superannuation funds and are charged as expenses when incurred.

#### (l) Goods and Services Tax ("GST")

Revenues, expenses, and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office.

In these circumstances the GST is recognised as a part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST, where GST applies.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

#### (m) Comparative figures

Where required by Accounting Standards, comparative figures are adjusted to conform to changes in presentation for the current financial year.

#### (n) New, revised or amended Accounting Standards and Interpretations adopted

The Club has adopted all the new and revised Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for a charity or not-for-profit entity registered with the Australian Charities and Not-for-profit Commission during the current reporting period. The adoption of these new and revised Accounting Standards and Interpretations has not resulted in a significant or material change to the Club's accounting policy.

### 20 ASSOCIATION INFORMATION

The Cottesloe Surf Life Saving Club Inc is an Association that is incorporated and domiciled in Australia.

The principal place of business of the Association is:

87 Marine Parade  
Cottesloe WA 6011

## Statement by Members of the Committee

### STATEMENT BY MEMBERS OF THE COMMITTEE

The Management Committee has determined that the Club is not a reporting entity and that this special purpose financial report has been prepared in accordance with accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Management Committee:

1. The financial statements and the notes are in accordance with the Associations Incorporation Act (WA) 2015, Australian Charities and Not-for-profits Commission Act 2012 and Australian Charities and Not-for-profits Commission Regulations 2013, and:

a. comply with Australian Accounting Standards; and

b. give a true and fair view of the Club's financial position as 30 April 2021 and of the performance for the 12 month period ended on that date in accordance with the accounting policies described in Note 1 to the financial statements.

2. In the Management Committee's opinion there are reasonable grounds to believe that the Club will be able to pay its debts as and when they become due and payable.

This statement is made in accordance with a resolution of the Management Committee and is signed for and on behalf of the Management Committee by:

---

**Ben Stephens - President**

**13-July-2021**

---

**David Craig - Deputy President**

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF *COTTESLOE SURF LIFE SAVING CLUB INC.***

**Report on Audit of the Financial Report**

**Qualified Opinion**

We have audited the accompanying financial report, being a special purpose financial report, of Cottesloe Surf Life Saving Club Inc. (the Club), which comprises the statement of financial position as at 30 April 2021, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the statement by members of the committee.

In our opinion, except for the effects of the matters described in the *Basis of Qualified Opinion* section of our report, the accompanying financial report of Cottesloe Surf Life Saving Club Inc. is in accordance with Division 60 of the *Australian Charities and Not-for-Profits Commission Act 2012*, S. 20 of the *Charitable Collections Act 1946* and Part 5 Division 1 of the *Associations Incorporation Act 2015*, including:

- a. giving a true and fair view of the Club's financial position as at 30 April 2021 and of its performance for the year ended; and
- b. complying with Australian Accounting Standards to the extent described in Note 1, Division 60 of the *Australian Charities and Not-for-Profits Commission Regulation 2013* and Part 5 Division 1 of the *Associations Incorporation Act 2015*.

**Basis for Qualified Opinion**

As is common for organisations of this type, it is not practicable for us to perform auditing procedures to satisfy ourselves that all donations and cash takings have been received and recorded in the accounting records. Accordingly, our examination relating to donations and cash takings was limited to the amounts recorded in the financial report.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Registered Entity in accordance with the auditor independence requirements of *Australian Charities and Not-for-profits Commission Act 2012* and the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

DIRECTORS: Leigh-Anne Meyerowitz CA | Stephen Thompson CA

## Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Club's financial reporting responsibilities under the *Australian Charities and Not-for-Profits Commission Act 2012*, *Australian Charities and Not-for-Profits Commission Regulation 2013* and *Charitable Collections Act 1946* and the committee's financial reporting responsibilities under the *Associations Incorporation Act 2015*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

## Responsibilities of the Committee for the Financial Report

The management committee is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Australian Charities and Not-for-Profits Commission Act 2012*, *Charitable Collections Act 1946* and the *Associations Incorporation Act 2015* and is appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the Club or to cease operations, or have no realistic alternative but to do so.

## Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Stephen Thompson, Director**  
**SHAKESPEARE PARTNERS (AUDIT) PTY LTD**  
**CHARTERED ACCOUNTANTS**  
Auditor Number: 475031
